

6th Form Fundraising Campaign Update

I am delighted to announce that the total raised so far has now reached £660,000! This is a fantastic achievement and thanks must go to all those who have already pledged their support to the campaign.

Also, thanks to all those who joined us at the dinner dance at Stockbrook Manor in January, the evening was a huge success, raising a staggering £17,000! We hope that you will join us there again in February 2012, to hopefully, celebrate us reaching the total!

The building works are on course for a completion this summer. The first phase of the project is now complete and students are making good use of their new study areas. This centre will make a huge difference to the daily life of our students, giving them the facilities which they so deserve.

As you will be aware our campaign total is £750,000 we are keen to reach this as soon as possible.

If you would like to donate to the campaign, this can be done by either a one off payment, or like many have done, monthly payments over a five year term. As an example, a monthly pledge of £50 a month over five years will add £3750 to our total (with the school claiming back gift aid). If we were to have 40 gifts of this size, we would have reached our total!

If you would like further information on how you can support our campaign, please do not hesitate to contact me.
