## Boys and girls

|                |   |
|----------------|---|
| Outdoor Coat:  | Plain black. Not leather or 'leather type'. Must be longer than blazer length and not 'bomber type'. No logos or accessories. Please do not flaunt the regulations about coats. They should be worn only in cold weather and not as a replacement for the blazer.   |
| Gloves/Scarves | Plain dark colour or school red or Coopers'-Coborn scarf. NO football scarves.  |
| PE Kit:        | The type of kit will, of course, vary with the nature of the activity BUT for events such as Sports Day and when all activities take place indoors at school, students must wear a white sports shirt or blouse with a collar (not a 'T'-shirt) and EITHER shorts or skirt in plain white, black or dark navy OR completely plain navy jogging bottoms. PE kit is available in school.  |
| Hair:          | Extreme hair styles are not permitted, nor does the School permit students to dye or bleach their hair if, by so doing, it alters appreciably the appearance of the person. In the event of this the student may be excluded from the School at the discretion of the Headteacher. It is difficult to define "extreme" as styles vary according to fashion. Please ask BEFORE altering your hair, if these guidelines seem unclear. Do not wear brightly coloured or multiple hair accessories. |
