

PHYSICAL EDUCATION CLOTHING - GIRLS

Purchasing instructions for items of P.E. Clothing

All P.E. kit will be available by mail order only via the school website, with the exception of the navy shorts, red athletic briefs and swimming cap, which will be issued to each student at their first P.E. lesson. Please ensure your child brings the £17.00 with them to their first P.E. lesson, either by way of cheque or cash.

All items of kit must be named as directed, and **kept in the sports lockers provided for students**, for which a £5 key deposit will be requested in September. A great amount of kit is lost every year and to reduce this, it is asked that you stress to your daughter the need to use the locker provided at all times and not lend kit to others. We also insist that when students collect their kit from their locker, they use the locker to secure any valuables, as opposed to leaving them in changing areas or anywhere else.
