Dear Student,

**Re: A-level Results' Day – Tuesday 10<sup>th</sup> August 2021**

I hope that this letter finds you and your family well.

Under 'normal circumstances' I would have communicated with you earlier regarding the arrangements for the forthcoming A-level results day. However, due to these unprecedented times, we have had to wait for Government advice on the easing of the lockdown measures.

Like with the exams process, Results' Day will follow a different format from that of previous years and therefore we have made the decision to email your A-level results, rather than collection on site. Taking this into consideration, I ask that you complete the 'Results' Day Google Form' ([CLICK HERE](#)), by no later than midday on **Monday 5<sup>th</sup> July 2021**. It is vital that you complete and submit the details requested to enable us to plan ahead. Please note, A-level results will be sent to both your school and personal email address and you will receive this information by no later than 9am.

If you do not have a personal email account, you can nominate a representative to receive these on your behalf, but please make this clear when completing the form that you give consent to this. Without this, your electronic submission of your results may be delayed. Furthermore, whilst the primary method of receiving your results will be through an email, you will also be able to log into Go 4 Schools later in the day to see your results.

### **What happens if you are unhappy with your result?**

The school have been working hard to make sure students are issued with the correct grades. However, should you feel that an error has been made in determining your grade/s, you have the right to appeal. Full details regarding the appeals process will be sent out prior to Results' Day.

Ofqual and the exam boards have agreed to host an autumn examination series for any students who wish to take the opportunity to improve their grade/s. Exam boards will offer a full suite of exams, with the same number and format of exams as in any normal series. Please note that these grades will be based on performance in the autumn exam papers only and will not include any 'non-examined assessment' (NEA/coursework). Dates have yet to be finalised and further details regarding this process will be placed on the school website in early September 2021.

### **Support offered by the school if you wish to discuss your Post-18 options:**

Although you will be receiving your results electronically, I wanted to reassure you that the usual extensive range of university and employer advice will be available from our 6th Form Pastoral Team. Along with your A Level results, you will receive an extensive communication entitled 'What do I need to do next?'. In particular, for those of you applying to university, this will cover the four options available to you on

Information about how to contact staff and 'Prospects' will be included with your results - we will be offering 'video conferencing' via Google Meet and face to face meetings if required.

I trust this letter answers any questions you may have had regarding the Results' Day process, but should you have any questions, please feel free to email [exams@cooperscoborn.co.uk](mailto:exams@cooperscoborn.co.uk).

I would like to take this opportunity in wishing you and your family an enjoyable summer break and wishing you the very best of luck for your forthcoming Results' Day.
