**Re: Student Finance Presentation for Parent(s)/Carer(s)
Student Finance Presentation for Year 13 students: Thursday 18th November**

Friday 12th November 2021

Dear parent(s) and carer(s)

As part of our ongoing commitment to prepare both parents and students for life beyond Coopers' we have arranged for specialist provision from the University of East Anglia to talk about student finance. If your son/daughter is applying to university, either through UCAS or an alternative route, I am sure they will have been confused by all the processes in relation to student finance.

Over the coming months they will need to investigate the various avenues of financial support available to them ranging from bursaries, tuition fee loans and maintenance grants

I am conscious that as parents/carers you wish to understand the subject of university finance and how it works. In any normal year, we would arrange for a session to take place in school one evening with Lydia Newton from The University of East Anglia. However, this is obviously not possible. Lydia has however worked with us for many years and has filmed the presentation she would have delivered. If you are new to the subject of student finance then I would strongly recommend you watch her presentation. Please [click here](#) to access the presentation.

You son/daughter will also have a similar session, delivered in-person by Lydia at 8:40am next Thursday in the School Theatre. All students who are/will be applying to university are expected to attend the session.

If you wish to research the topic yourself, the I would recommend the following two sources of information:

- UCAS website – section on student finance – [click here](#)
- The Student Money Manual – [click here](#)
(this is a good resource to print out to use with your son/daughter at home!)

Applications for student finance open in February each year, and we will notify you when the government website opens for applications.

If you have any questions, please do not hesitate to contact the Sixth Form team at the school.

Yours sincerely

Mr R Bell
Deputy Head & Director of 6th Form
