**Dr Dominique Thompson: 'How to Grow a Grown Up'
Parent/Carer Session: Monday 7th February, 7pm-8pm**

Dear parent(s) and carer(s)

Following on from my letter a few weeks ago, I am pleased to confirm the details of Dr Thompson's session for parent(s) and carer(s):

The session will start at 7pm on Monday 7th February

<https://zoom.us/j/98360262136?pwd=RG5lVTFkZk5kZ0Vzc0l2cUcxVFZudz09>

Meeting ID: 983 6026 2136

Passcode: L50ZH9

I will oversee the event and introduce Dr Thompson. Could I please ask that all participants turn their camera and microphone off at all times during the presentation; this is the default setting for the meeting.

At the end of the 40-minute presentation, there will approximately 20 minutes for questions – you can ask questions via the 'chat' function. Once again, I will moderate the questions and select a wide range of different questions for Dr Thompson to respond to.

Please note that we are limited to 500 participants and should more participants attend than we have spaces on the call, then places will be offered on a first-come-first served basis.

We hope this session will be of real use.

Yours faithfully

Mr Bell
Deputy Head
