Disclaimer:

This year's GCSE results had to be awarded differently from usual, after exams were unable to go ahead due to COVID. Schools and colleges were asked to assess student performance only on the content of each specification that had been taught and with the use of a broad range of evidence, teachers were required to determine grades. These teacher assessed grades (TAGs) were then submitted to the relevant exam board/s.

Therefore, these results shouldn't be seen as a direct comparison to those achieved in previous years.
