## Disclaimer:

This year's GCSE results had to be awarded differently from usual, after exams were unable to go ahead due to Covid-19. Schools and colleges were asked to use their professional experience to make a fair and objective judgement of the grades they believed a student would have achieved had they sat their exams, based on work that the student had already done. These centreassessed grades (CAGs) were then submitted to the relevant exam board/s. Students were either awarded their centre assessed grade or calculated grade, whichever was higher.
