Key: **Curriculum**, a requirement of the course. **Optional and enrichment**, i.e. not directly linked to curriculum but advantageous to 'Love as Brethren', the broader concept of the subject or providing enriching educational experiences.

There are always a variety of exams, conferences and theatre trips throughout the year which support learning, particularly in the sixth form, with negligible costs.

N.B The listed trips may not necessarily happen every year but you will usually be given up to 1 year's notice for the more expensive trips.
