## CCCS Clubs – FAQ

1. 'How do I join the clubs?' - Go to the SOCS website – find the club and book on.
2. 'I want to do two clubs on at the same time'. – That is fine, just tell the teachers running each club that you would like to rotate between the two clubs each week.
3. 'Who runs each club?' – Speak to any teacher from the department running the club. If you still are not sure come and see Mr Duncan in his office.
4. 'Do I have to pay for these clubs?' - No, one of the fantastic things about them is that they are free!
5. 'A club I really want to do isn't on the list?' - Speak to Mr Duncan to make future club suggestions. Why not try something new in the meantime!
