# True or False?

- I'm worried about my GCSE Results – will I get in?
- I think A Levels might be really difficult and I will have to do a lot of work
- I don't know whether I want to go to university yet
- I struggled to 'just' pick 3 subjects to follow
- I'm concerned about a new form group and making new friends (or come to a new school!)

# What can I expect?

- To become an **important part of our community**; the next in a long line of students who have worn the sixth form badge and invested in the ethos of the school.
- To be expected to **work hard academically and give of your best**; challenge yourself and learn to work collaboratively and independently.
- **To be supported** both academically and pastorally by a team of tutors and a wider pastoral team.
- **To receive outstanding 'Beyond 18' support**; to be encouraged to explore opportunities and options and to positively look to the future.
