1st October 2024

Dear Parents and Carers,

RE: Year 8 Careers Week Commencing 7th October 2024.

I am delighted to introduce myself as the Head of Careers and am looking forward to working with you and your child, supporting their next steps beyond 14, 16 and 18.

It is important that students are encouraged to think about their futures and that they are presented with opportunities to explore the world of work. To give a greater insight, we have arranged an inspirational careers-related experience for students in Year 8 from 7th – 11th October 2024. Each morning during this week, your child will receive a presentation from a speaker from different sectors of employment to inform and inspire the future decisions they may make. Talks will be held in the Sports Hall and the schedule of the week will be:

Monday: Mrs Palmer - Beyond 14, 16 and 18 Pathways.

Tuesday: Isobel Ives - STEM Careers

Wednesday: Fahim Kadar - Financial Services Careers.

Thursday: Neil Bangs - Sporting Careers

Friday: Bridget Sallis - Health Care Careers.

I am sure you will agree that this is an excellent opportunity for your child to explore their future options in order to make informed decisions. For any additional information about the career's guidance support given at the school, please contact me at school or please use the school's careers page on the website

Yours sincerely

Mrs Palmer
