Re: Driving Safety Presentation: Tuesday 21st January – Period 5

Dear Parent(s) and Carer(s)

As part of our commitment to offering a breadth of education to our 6th Formers, on Tuesday 21st January your son/daughter will be benefitting from a session delivered by specialists in the Metropolitan Police. Topics covered will include: road safety, driving safely, including issues such as mobile phone use and drug driving.

Many of our Year 12 students are beginning to learn to drive and we are conscious of the benefits and potential risks that this brings.

The sessions will take place in the School Theatre as follows:

Tuesday 21st January – Period 5 (2:15pm to 3:15pm)

The session will last approximately 1 hour and will be in place of the usual timetabled lessons.

We expect all students to attend and a register will be taken.

We are conscious that the presentation can at times be hard-hitting and may resonate on a personal level with students, based on experiences, we may not be aware of. If you have any concerns about your son/daughter attending the session due to its though-provoking nature, please do contact me, via the ['Contact Us': Pastoral Team, Year 12](#) section of the school website.

Yours faithfully

Mr J Teece
Head of Year 12
