RESULTS AND DEPARTMENT SUMMARIES

2025 - 2026

Welcome to

EXTRA CURRICULAR AT COOPERS COBORN

As a former student (or 'Old Cooperian') and now a member of staff, it remains a source of immense pride and inspiration to oversee the incredible variety of opportunities that continue to be available at our school. I vividly remember the Headteacher at the time I joined as a starry-eyed Year 7 in 1995, sharing the wisdom: 'Coopers is like a jam-sandwich, the more you put in the more you will get out!' That sentiment has never been more true. A proactive and immersive approach to the extra curricular life of the school is fundamental in developing the essential, character-building qualities that pave the way for future success.

Within these pages, we proudly celebrate the opportunities that each department offered during the last academic year. I am certain you will agree that the experiences available are exceptional, and we are delighted that this remains such an outstanding 'pillar' of the school. This vibrant and exciting programme would simply not be possible without the incredible time, dedication, and commitment given by so many staff at Coopers Coborn; they are the reason this vital facet of our school continues to flourish.

"Although the school is very academic, we found it to be the antithesis of an exam factory, offering a broad and liberal education, with a major emphasis on extra curricular activities that all students are expected to get involved in."

GOOD SCHOOLS GUIDE REVIEW
(for the full review please see our website).

Our school is a special place, built upon the foundation of committed students, outstanding staff, and wonderfully supportive parents. Together, you all help to create the palpable 'can do' ethos that defines our community. I hope you enjoy this glimpse into another remarkable year of opportunities that help to make Coopers Coborn such a special school to be a part of.

Mark Duncan
Deputy Headteacher
